

Our Global Vision

“A World That Works For Everyone”

We envision all people, all beings, and all life as expressions of God.

We see a world in which every person lives in alignment with his/her highest spiritual principle, emphasizing unity with God and connection with each other; a world in which individually and collectively **we are called to a higher state of consciousness and action.**

We envision **humanity awakening to its spiritual magnificence** and discovering the creative power of thought; a world where every person discovers his/her own personal power and ability to create an individual life that works within a world that works for everyone.

We envision a world in which **we live and grow as One Global Family** that **respects and honors the interconnectedness of all life**; a world where this **kinship with all life** prospers and connects through the guidance of spiritual wisdom and experience.

We envision a world where **personal responsibility joins with social conscience** in every area of the political, corporate, academic, and social sectors, providing sustainable structures to further the emerging global consciousness.

We envision a world where each person has **enough food, a home and a sense of belonging**; a world of peace and harmony, enfranchisement and justice.

We envision a world in which **resources are valued, cared for, and grown**, and where there is generous and continuous sharing of these resources.

We envision a worldwide culture in which **forgiveness** (whether for errors, injustices, or debts) is the norm.

We envision a world which has **renewed its emphasis on beauty, nature, and love** through the **resurgence of creativity, art, and aesthetics.**

We envision **a world that works for everyone and for all of creation.**
