Parliament of the World's Religions attendees can stop by the **New Thought Booth (Booth Number 927)** and pick up a free copy of October's *Science of Mind* magazine, featuring a cover story on His Holiness the Dalai Lama.

**About Centers for Spiritual Living™: Founded in 1927 by Dr. Ernest Holmes, the nonprofit is** dedicated to helping individuals learn how to use spiritual principles and develop a direct relationship with God. There are over 350 Centers for Spiritual Living around the world that teach the philosophy called Science of Mind®. This spiritual teaching draws on the wisdom of the ages and New Thought principles to promote awakening and personal growth. It holds that all life is sacred and that each human being is an expression of God. **The organization honors all spiritual paths and lifestyles. [www.CSL.org](http://www.CSL.org)**
