

Aldo Ruiz Yniguez RScP is a licensed Practitioner with the Las Vegas Center for Spiritual Living. Originally from the Philippines, Aldo lived in New York City for 16 years before relocating to Las Vegas to pursue a career as a real estate agent. He has over 20 years of experience assisting clients, friends and family in finding their dream home. Aldo sees a beautiful parallel between his real estate work and his ministry, as he helps them discover their inner peace.

His spiritual practice is centered on the core belief of Oneness believing that the true Divine Source is all-inclusive and limitlessly available with no blackout dates in everyone. This belief fuels his passion for deep listening, creating a peaceful and sacred space for his divine self, the “still small voice” within, that is always present, felt and heard crystal clear.

Aldo’s commitment to the Global Outreach program is fueled by his passion for diversity and experiencing new cultures through traveling, meeting people, and savoring local cuisine. He is fluent in Tagalog and has a minor understanding of Spanish words. Outside his spiritual community service, Aldo loves traveling and enjoying the salted scent of the ocean with his partner, Francois.
