

**Rev. Ifesinachi Naana, RScP** The world has already been created to work for all. I am just one of the many change agents called to help awaken the people of the world to this great Truth. Naana has served as a practitioner at the Spiritual Living Center of Atlanta for 11 years and is deeply attuned to the needs of underserved countries.

“Man cannot approach the divine by reaching beyond the human; he can approach Him through becoming human. To become human is what he, this individual man, was created for.” — Martin Buber, *Hasidism and Modern Man* (1956)
