FOUR RENOWNED ERNEST HOLMES BOOKS

NOW AVAILABLE IN SPANISH

GOLDEN, CO (November 3, 2016) – Centers for Spiritual Living (CSL) and Science of Mind Publishing are proud to announce the release of four new Ernest Holmes books that have been translated and published in Spanish. The books, which are available from Amazon in both paperback and Kindle e-book versions, are: *¿Podemos Hablar Con Dios*? (Can We Talk to God?); *Este Algo Llamado Tú* (This Thing Called You); *Como Usar la Ciencia de la Mente* (How to Use the Science of Mind; and *Lo Esencial de Ernest Holmes* (The Essential Ernest Holmes).

These books will also be available in many of the 400 CSL Centers and communities worldwide. The newly released translated books join a growing number of other volumes written by Ernest Holmes that are available in Spanish. The view the entire catalogue and to link to any or all of the Spanish Holmes books, visit the CSL Global Services website at: http://globalservices.csl.org/science-of-mind-resources/translations.html?id=162.

"The collective writings of founder Ernest Holmes are at the heart of everything we do at CSL, from our transformative education programs to our international spiritual outreach," said Mark Gilbert, Manager of CSL Global Services. "We are so pleased to be able to translate these four very popular books and make them available to Spanish-speaking individuals in the U.S. and abroad."

Based in Golden, CO, Centers for Spiritual Living[™] is a global community comprised of 400 spiritual communities, teaching chapters, study groups and other ministries in 30 countries, teaching a New Thought philosophy through the study and practice of Science of Mind®, also known as Religious Science®. The organization honors all spiritual paths and lifestyles. For more information, visit: <u>www.CSL.org</u>. Science of Mind Publishing, Park Point Press and Spiritual Living Press - The book publishing arm of Science of Mind, these various imprints preserve and present the work of Dr. Ernest Holmes and expand the philosophy's reach through various retail outlets, online and in bookstores worldwide. Park Point Press works with individual, like-minded authors to make reality their dream of sharing their unique books. For more information, visit www.ScienceOfMind.com/Publish-Your-Book or www.ScienceOfMind.com/Shop.

CSL also publishes *Guide for Spiritual Living: Science of Mind magazine*, a monthly publication that that empowers readers with tools to create a better, happier and more satisfying life. Every issue features thought-provoking articles with today's most influential New Thought leaders such as His Holiness the Dalai Lama, Deepak Chopra, Jean Houston, Mitch Horowitz, don Miguel Ruiz and Christiane Northrup. Plus daily guides, smart ideas and useful tips to help awaken a life you love. Visit: <u>www.ScienceOfMind.com</u>.
