

Our History

Cedar Ridge Camp & Retreat Center is primarily known as a summer camp for youth and hosts groups from North America, South America and Europe each year at its 32-acre site.

The location offers bunkhouses, outdoor tents and indoor lodging along with a sports field and wedding venue.

In addition to hosting youth groups of more than 400 participants, the site serves the programming and conference needs of many interfaith groups, corporate organizations, nonprofit associations, academic teams and the general public.

We Are Planted Here

More than 15 years ago, the National Teen Camp from United Centers for Spiritual Living created a labyrinth and planted a tree on this site, and both are still in place today.
