

CSL Summer Internship Program

Camp Cedar Ridge is seeking four seasonal staff members to live, work and train at the facility during the 2022 summer months. We prefer individuals who have attended a CSL Teen Camp or have otherwise been involved with a Center for Spiritual Living.

POSITIONS AVAILABLE:

Office/Store/Social Media: 1 opening

One person to work in guest services by checking groups in, receiving payments, working in the camp store, and helping with the camp social media platforms. Assist with housekeeping changeovers as needed (see below).

Lifeguard/Pool Maintenance/Maintenance: 1 opening

Certified Lifeguard to supervise youth in the pool and maintain the pool according to county regulations. Assist in the maintenance department as needed. Assist with housekeeping changeovers as needed (see below).

Food Service Workers: 2 openings

Two individuals to assist the Food Service Director to provide meals throughout the summer. Tasks include prepping and cooking, cleaning the kitchen and dining room, serving food to campers, and preparing and serving for weddings and other special events. This is a great opportunity for someone with an interest in the food service and hospitality industry to gain hands-on experience and training. Assist with housekeeping changeovers as needed (see below).

DISCOVER THE GOOD

Housekeeping Changeovers

To support the timely check out and check in process of large groups, all interns and employees will support the process of cleaning, changing and washing linen, emptying trashcans and preparing the facility to receive check ins.

Housing

Interns will stay in cabins with two people per cabin. These cabins are close to the dining room but do not have electricity or bathroom facilities. The bathroom is a short walk away. Interns will be given lanterns for light in the rooms and can charge items for use in the cabins. There is a beautiful view of the creek and the sunset from the staff housing area.

Food

Interns will be provided with food from the dining room. The dining room can accommodate vegetarian, vegan, and gluten-free options.

Dates and Hours

June 20-August 20, 2022

Interns should be prepared to work at different times and days depending on group requirements.

Compensation

Interns will receive room and board and be paid \$350 per week.

Training

Interns will be provided with training to complete their tasks. They will be provided with a mentor to work with throughout the summer for additional coaching in the areas of leadership and spiritual development.

Be a part of history! Work the first summer at CSL's Camp Cedar Ridge and build memories and friendships that will last!
