

From the sunny shores of Hawaii, Grammy-nominated, Emmy award-winning Singer, Songwriter and Podcast Host, **Faith Rivera**, opens hearts and transforms lives around the globe through the power of music and authentic connection.

You've heard her on TV & Film from *The Voice* to *NCIS* and seen her at the Hollywood Bowl to the House of Blues to stages in Tokyo to Rome where audiences of all ages are engaged and energized through upbeat messages, music and dance. She's a multiple Posi Award winner, Grace Note Award recipient for her contribution to New Thought Music and featured in multiple documentaries like "As a Man Thinketh" with Michael Beckwith, Joe Vitale, and more empowering teachers.

As a podcast co-host, Faith's interviewed luminaries like Matthew Fox to Master Sha and recently has branched out to do her own solo show "Aloha Rising" — sharing practical ways to live your best life yet, centered in love and aloha.

Appointed by Kahuna Ola Leina'ala Brown to carry the healing medicine of oli (sacred Hawaiian chant) to the world, Faith is now stepping into her role of "Alaka'i Nui" (Great Leader/Guide) sharing oli, her understanding of Hawaiian spirituality and the energy of aloha that's meant to heal the world.

On Oahu, when she's not hosting private self-love retreat or recording with her pop/r&b group *solUXE*, this mom of two enjoys time with her high school sweetheart, her ten-year-old daughter and fourteen-year-old son. Above all, love and joy is her mission and she spreads those aloha vibes one song at a time, one heart at a time. There is a light in the darkness, and it is you, it is us. Faith dares us to shine like the everyday superstars we are born to be!
